AMERICA'S LAST PATROL RANCH INC. P. O. BOX 673 BENAVIDES, TEXAS 78341

The following information will give you an idea of what our organization is all about and our purpose.

Our organization was started in San Diego, Texas in 1985 which at that time it was primarily a Pro-Vietnam Veteran Organization, and as it evolved and grew the organization allowed other Veterans to join. Later, it also allowed to have honorary (Associate) members which can participate in our activities and programs but are not allowed to vote on issues during formal meetings.

The purpose for which the association was organized is to promote and spearhead a movement to convince our Goverment and the goverments of Vietnam, Laos, and Cambodia, Korea, and other countries to account for our Prisoners Of War and our Missing in action. The return of all POWS, the fullest possible accounting for the missing and the repatriation of remains of those who died serving our country. To assist, support, strengthen, and educate the surviving Vietnam Veterans and their families; to serve as a fraternal patriotic and historical organization and; to promote the ideals of freedom, equality and justice for all.

We presently have a headquaters located in Benavides, Texas on highway 359, known as America's Last Patrol Ranch, the ranch is situated in ten acres of land which is being lease from Mr. Domingo Ramirez, for fifty years, at one dollar a year. The lease . light, phone bill and up-keep of the Ranch are paid through our membership dues, donations and fundraisers to support our organization. The main thrust and pride of our organization is the Last Patrol MEMORIAL WALL which consists of two walls, one is solely for POWS/MIAs and KIAs of all wars, the other wall is for any Veteran that served our country honorably can have his/her name on the wall. We ask for a contribution of \$20.00 to place a name on the wall. these monies are used to buy the brick, mortar, name plate, engraving, and maintenance of the Memorial Wall. We also · have a small CHAPEL, FIRING RANGE, and SMALL TEMPORARY DWELLINGS (hutches) BUILT BY SOME OF OUR MEMBERS, AND A HELO-PAD which becomes operational at night for Emergencies for the sourrounding Communities. We have THE AMERICAN FLAG FLYING Twenty-four hours.
